

ADMISSION ANNOUNCEMENT

2026 INTERNATIONAL JOINT TRAINING PROGRAMS

Ho Chi Minh City University of Technology and Engineering (HCM-UTE), formerly known as Ho Chi Minh City University of Technology and Education, announces admissions for its 2026 undergraduate International Joint Training Programs as follows:

Program	Eligible Applicants	Details
Direct Admission	Applicants who have graduated from high school in Vietnam or from an equivalent foreign high school program in Vietnam or abroad (recognized as equivalent) (a)	See Section I
International Transfer Program	Full-time HCM-UTE students currently enrolled in Vietnamese- or English-taught programs and meeting the transfer requirements	See Section II

I. DIRECT ADMISSION PROGRAM

1. Eligible applicants

Applications are open to high school graduates in Vietnam and students who have completed a foreign high school education program in Vietnam or abroad.

2. Admission methods, subject combinations, and English entry requirements

- **Admission methods:** Applicants may apply through one of the following four admission methods::

+ Method 1: Admission based on high school academic transcripts (Grades 10, 11, and 12). (*Minimum required score: 18 điểm*)

+ Method 2: Admission based on the 2026 National High School Graduation Examination results. (*Minimum required score: 15 điểm*)

+ Method 3: Admission based on the 2026 Vietnam National University Ho Chi Minh City Competency Assessment Test results.

+ Method 4: Equivalent admission consideration for applicants studying foreign high school programs or studying abroad.

- **Subject combinations:** Applicants may apply using one of the following combinations:
 - Mathematics – Physics – Chemistry;
 - Mathematics – Physics – **English** (*);
 - Mathematics – Literature – **English** (*);
 - Mathematics – Chemistry – **English** (*);
 - Mathematics – Physics – Literature

(*) **Note:** For subject combinations including English, applicants may use an English proficiency certificate for score conversion under the English-taught program requirements (Appendix).

- **English entry requirements:** For international joint programs with foreign partner universities, applicants must meet the following English requirements:

- + Hold an international English certificate equivalent to at least IELTS Academic 5.5, Level 4 of the Vietnamese 6-Level Foreign Language Proficiency Framework (VSTEP), or B2 level under the Common European Framework of Reference for Languages (CEFR).

- + Applicants who do not yet meet the requirement may receive conditional admission and must take the university’s English placement test. Conditionally admitted students are required to self-study English or attend English preparatory courses organized by the university. In addition, students must satisfy the English entry requirement within a maximum of 12 months from the date of the conditional admission decision.

3. Academic programs and study pathways

No.	Program	Program Code	Partner University	Study Pathway	Degree Awarded
1	Electrical and Electronic Engineering	267520202QS	University of Sunderland (UK)	- 3+1 or 4+0 pathway <ul style="list-style-type: none"> ● First 3 years at HCM-UTE (Year 1 focuses on English; exempted for students with IELTS 6.0 or above) ● Final year at the University of Sunderland or at HCM-UTE 	Bachelor’s degree awarded by the University of Sunderland
2	Business Administration	267340101QS			
3	Information Technology	267480201QA	Adelaide University (Australia)	- 2+2 pathway <ul style="list-style-type: none"> ● First 2 years at HCM-UTE ● Final 2 years at the Adelaide University 	Bachelor’s degree awarded by the Adelaide University

No.	Program	Program Code	Partner University	Study Pathway	Degree Awarded
4	Mechanical Engineering Technology	267510201QT	Griffith University (Australia)	- 2+2 pathway <ul style="list-style-type: none"> • First 2 years at HCM-UTE • Final 2 years at the Griffith University 	Bachelor's degree awarded by the Griffith University

4. Admission and enrollment schedule

Nội dung	Round 1	Round 2
Application period	From May 11, 2026 to September 18, 2026	From October 1, 2026 to December 18, 2026
Enrollment time	September 2026	January 2027

5. Estimated tuition fees

Partner University	Year 1	Year 2	Year 3	Year 4
University of Sunderland (UK)	VND 40,000,000/semester	TBC*	TBC*	VND 170,000,000/year if studying at HCM-UTE, or approximately GBP 16,500/year (~VND 568,000,000) if studying at the University of Sunderland, UK. Scholarship not included. This is the estimated tuition fee for 2026.
Adelaide University (Australia)	VND 40,000,000/semester	TBC*	AUD 50,500/year (~VND 906,000,000).	Scholarship not included. This is the estimated tuition fee for 2026.
Griffith University (Australia)	VND 40,000,000/semester	TBC*	AUD 45,500/year (~VND 816,000,000).	Scholarship not included. This is the estimated tuition fee for 2026.

Note: (*) Tuition fees for subsequent academic years will follow the university's official announcements.

6. Application and enrollment procedures

- **Online Application:** Applicants submit their applications online at:

<https://xettuyenqt.hcmute.edu.vn>.

- **Application fee:** VND 30.000/applicant. Payment should be transferred to the following account:

- + Beneficiary: Ho Chi Minh City University of Technology and Engineering;
- + Account number: 3141848945
- + Joint Stock Commercial Bank for Investment and Development of Vietnam (BIDV) - Dong Sai Gon Branch, Ho Chi Minh City;
- + Transfer description: [Applicant’s ID Number] [Applicant’s Full Name] [xet tuyen LKQT2026]

(Example: 301239612 NGUYEN VAN A xet tuyen LKQT2026).

- **Admission result inquiry:** Applicants may check their admission results at: <https://tracuuxettuyenqt.hcmute.edu.vn/>. Admission results will also be sent to the applicant’s registered email address.

- **Enrollment procedures:** After receiving the admission eligibility result and enrollment notification through <https://tracuuxettuyenqt.hcmute.edu.vn/>, SMS, or personal email, applicants must submit the required enrollment documents (according to the enrollment guidelines), pay tuition fees, and pay the enrollment fee of VND 500,000/student at the office of Institute of International Education.

II. INTERNATIONAL TRANSFER PROGRAM

1. Eligible applicants

- This program is designed for students of HCM-UTE who are currently enrolled in Vietnamese- or English-taught programs and meet the transfer requirements (GPA, IELTS, etc.).

* Notes:

- Applicants in 2026 who wish to pursue this pathway must first apply for admission to Ho Chi Minh City University of Technology and Education (Institution Code: UTE) through the Ministry of Education and Training’s national admission system, following the official 2026 admission schedule and regulations. (For more information about HCM-UTE’s 2026 regular undergraduate admissions, please visit <https://tuyensinh.hcmute.edu.vn/>).

- After being admitted, students will complete the first two years at HCM-UTE and then contact the Institute of International Education for guidance on transfer procedures.

- If students change their study plans or preferences during the transfer stage, they may continue studying in their **original program** at HCM-UTE, graduate, and receive a degree awarded by HCM-UTE.

2. Programs and study pathways

Program	Partner University	Study pathways and Tuition
Civil Engineering Technology Information Technology	Adelaide University (Australia)	2+2 pathway:

Mechanical Engineering Technology	Griffith University (Australia)	2 years at HCM-UTE & 2 years at the partner university Tuition fees: follow the current regulations of HCM-UTE and the partner university.
-----------------------------------	---------------------------------	--

III. SCHOLARSHIP POLICY

- Merit scholarships are awarded to admitted applicants whose total score in the 2026 National High School Graduation Examination (excluding bonus and priority points) for the three admission subjects is 21 points or higher. The scholarship amount is calculated as Total admission score × VND 1,000,000. One applicant with the highest score will be selected for each academic field group;
- first-semester scholarship equivalent to 20% of the tuition fee is granted to applicants who have siblings currently studying or who previously studied at HCM-UTE;
- Transfer scholarships for the overseas study phase: tuition fee reductions ranging from 15% to 100%, depending on the study program.;
- Other incentive scholarships are available in accordance with the university's regulations.
